

BIRTHDAY PARTIES AT THE CIRENCESTER ARENA

The Cirencester Arena Company Ltd host parties for children aged 5+ and our top of the range safe surface, astroplay, means that should your child fall over (and lets face it - they probably will!!) then they can just pick themselves up and start all over again.....with no burns or tears!

Parties last one hour and thirty minutes in total with the first hour being the activity period in which the sports on offer are football, tag rugby, indoor cricket, uni-hoc, rounders and relay races. This period is fully supervised by one of our party co-ordinators in our premiership standard indoor facility. Drinks are provided for the children during this period.

After all that running around the children will need to re-energise, and we offer a two food options. A cold buffet which comprises of sandwiches, sausage rolls, crisps and cakes or alternatively hot food which comprises of a choice between chicken nuggets, pizza or sausages with fries with choc ice-cream to follow. Orange and blackcurrant squash is provided with both options.

Party bookings are available on Sundays (11am—6pm) or weekdays after school (4pm-4.30pm start times) During the party all we ask is that two parents stay in attendance to assist with toilet runs and to supervise the children while they are eating.

Upon confirmation of a party booking the organiser will be sent a confirmation slip along with complimentary invites.
