### THE APPLICATION FORM

- The closing date for all applications is: **FRIDAY 22<sup>ND</sup> FEBRUARY 2019**
- The application form will only be accepted with the correct monies.
- The leagues will be filled strictly on a first come first served basis, in some cases though teams may be asked to play on a different night in order to fill leagues.
- All players on the application form must be at least 14 years old.
- Please ensure that all players are registered, if you wish to add more players once the season has started please provide details to a member of staff in the office, \*see rules and regulations document.
- Once the application form has been submitted, no refunds are given.

### CANCELLATIONS

- During the season teams are allowed to cancel a total of two matches, one in each round of fixtures, or two in the longer trophy round.
- **At least 24 hours must be given when cancelling a fixture, teams who fail to do so will forfeit the match 10-0, they will also lose their match deposit. Teams will also lose their deposit and forfeit the match if they cancel more than 2 games in a season. A new match deposit will be payable in full before their next match.**
- **If a team fails to show for a match then they will receive a forfeit 10-0 defeat and lose their match deposit. A new match deposit will be payable in full before their next match. That team also risk withdrawal from the league.**
- At the end of each round of fixtures a rearranged week is set aside for any cancelled games to be played. Teams concerned will receive a fixture list one week prior to the rearranged week.
- Any team that cannot make a fixture for whatever reason in the rearranged or cup week, will forfeit the game 10-0 and lose their match deposit.
- During the season we may arrange friendly matches to fill pitches especially during rearranged and cup weeks, these fixtures carry the same cancellation rules as mentioned above, teams **MUST** play friendlies, cancellation rules apply.

### FAIR PLAY

- A referee will be appointed to officiate each match, teams and individual players must respect their decisions at all times, they are human and will make mistakes, feedback is welcome to help referees improve.
- The leagues are intended to provide fitness and enjoyment. We want teams to be competitive but teams should not view the leagues as a must win competition by any means necessary. It's more for fun and enjoyment.
- It is the captain's responsibility to ensure that all players are fair and abide by the playing rules.
- After every match each team will be given a mark out of ten, based on their fair play and sporting attitude. All points are recorded, teams who receive low marks are informed of this and are asked that their behaviour improve. Prizes are available for the teams with the highest scores.
- The leagues operate a red/yellow card system, every card is recorded. A player who receives a red card will receive a suspension from the leagues for a minimum of two weeks. Two yellow cards in a round of fixtures result in a minimum one week suspension. (full disciplinary procedure available from Arena reception)
- The management of The Cirencester Arena Company Ltd reserves the right to withdraw any teams or individual player from the leagues at any time. No monies are refundable.

### MISCELLANEOUS

- All players play in the leagues at their own risk and are advised to take out personal injury insurance. No responsibility can be taken for any loss or damage to personal property. Shin pads must be worn by all players.
- **In order to win a trophy and prize your team needs to finish top of the league at the end of the TROPHY ROUND which will finish at the very end of the season, around September time. Prizes are NOT awarded for winning your qualification league, this just determines promotion and relegation places.**
- A copy of the full health and safety procedures can be obtained from the office.
- A copy of the League playing rules will be handed to all new teams along with their fixture list on the night of their first league match, extra copies can be obtained from the office.
- If a team wishes to withdraw from the leagues then a period of two weeks' notice must be given. If a team does not fulfil this two weeks' notice period, then they will be asked to pay two full match fees. All players registered will be suspended until any outstanding monies are paid in full. Any team that drops out of the league will automatically lose their match deposit.
- Comments or complaints must be put in writing to: James French, Arena Manager, Cirencester Arena, The Corinium Stadium, Kingshill Lane, Cirencester, GL7 1HS or email james.french@cirentownfc.com
